

As neighbors dedicated
to the growth, improve-
ment, and future of the
Mt. Ida Community: the
brothers of the Gamma
Tetarton Chapter of Phi
Sigma Kappa would
like to introduce our

Mt. Ida Community Development Micro Grant Program

About Us:

The Gamma Tetarton Chapter of Phi Sigma Kappa moved into our new residence, the former St. Francis de Sales church and rectory, in the Fall of 2011.

Following our Cardinal Principles of Brotherhood, Scholarship, Character: It is our goal to have a positive, long lasting influence on the Rensselaer community as well as our new neighborhood and the people who share it with us. One of the ways we are accomplishing this goal is through the creation of the Micro Grant Program.

If you ever have any questions regarding use of the space for any public or private events: please contact us at the email below, or stop by in person! We appreciate any chance to open our doors to the community.
